

Eagle Heights Academy

Soaring High with Young Children

Sandra Tilton, Coordinator

Our goal is to provide a Christian environment for an enriched learning curriculum with developmentally appropriate activities for our 3, 4, and 5 year old children. Loving and experienced teachers will provide classrooms full of manipulatives, books, learning centers, activities for science, math, prereading and writing skills all while having fun.

Spanish will be incorporated into learning as well as English for any Spanish speaking children.

Another important part will be to incorporate character building traits taught throughout the Bible using Biblical materials.

Class size will be limited to the first 15 who sign up for each class.
